THE CRISIS OF THE NATION

By Request of Minnie Steele W.C.T.U.
Yes, Christ made wine—'twere folly to
deny;
To controvert the fact I never try—
He made it pure, and for a good intent;
The wedding guests pronounced it ex-
cellent.

Nor was this miracle the only one
Performed on earth by God's incarnate
Son;
The palsied, halt and maimed, the dumb,
The deaf, the blind, the lame,
Made whole by word, or by His healing
touch.

He calmed the raging storm; He raised
the dead;
He healed the sick, the hungry crowds
He fed;
The lepers' leprosy, the blind restored
He healed.

He raised the impotent to stand upright,
But he also, for the "hipper traffic"
pleads,
Nor says a word about these mighty
deeds;

Nor speaks the Savior's name, save when
he tries—
To clothe the demon drink in heavenly
guise.

Almighty God is seated on His throne,
He hears the children's cry, the widow's
moan,
Recording angels stand at His right
hand

And count the weeks that lie along the
strand.

The names are written down in blood
and tears,

And also on the page the cause appears
That brought them to this melancholy
state.

As well as those consenting to their fate,
W. C. JOHNSON.

WORMS

When in health the baby laughs,
the child plays, the youth enjoys
athletic sports. The contrary indi-
cates some departure from health,
and in the case of children, is of-
ten caused by worms; a child so
afflicted is pale, sickly and peev-
ish. WHITE'S CREAM VERMI-
FUGE is the deadly enemy of
worms. It destroys the worms
and strengthens the weakened
organs. Children who take it
speedily recover their normal
happy condition.

Price 25c per Bottle.

Ballard's Snow Liniment

Is a Healing Remedy for All Ailments of
the Flesh of Man and Beast.

The speed with which this splendid liniment heals up a bad
wound or sore has surprised and pleased those who were accus-
tomed to the slower and uncertain effect of less powerful reme-
dies. It mends the lacerated flesh so quickly that there is but
little time lost from work. In relieving rheumatic pains, neural-
gia, sciatica, it has done and is doing a wonderful work. Many
chronic victims of these diseases have found to their great satis-
faction that it cures an attack in a fraction of the time required
by the ordinary treatment.
It is equally effective in the flesh ailments of animals. Owners
of blooded stock value it highly for two reasons. It heals sores
and wounds quickly, and leaves no disfiguring scars.
This remedy is needed in every home. If its great power and
efficacy was generally known, no family would be without it.

Price 25c, 50c and \$1.00 per Bottle.
